## I AM AUSTRALIAN *sing-a-long*

To unite as a school, community and spirit I have chosen "I am Australian" to sing as part of a sing-a-long. I would like you (& or your family) to record yourselves singing/miming/making actions for the "I am Australian" song. My plan is to also create a slideshow of Meadow Heights Primary School students singing during this isolation – provided I get enough videos from the students. Please view the following videos for inspiration:

## Planning your sing-a-long

1. Watch the example videos in the link.
2. Get your family to help learn the song (Australian & Aboriginal lyrics attached)
3. Practice your song until you know the lyrics.
4. Wear your Meadow Heights Primary School uniform.
5. Set up your camera so that you have only your face and uniform polo shirt showing, stand in front of a neutral background (a blank wall ), press record & sing your song.
6. Optional extra – you may wish to use props/musical instruments or do sign language like my video example while you are singing your song.
7. Playback your video, make sure you are happy with it. If you are not then re-record yourself and go to [Wetransfer.com](mailto:Wetransfer.com) and enter my email [Gulshen.Karaca@education.vic.gov.au](mailto:Gulshen.Karaca@education.vic.gov.au) address to send it.

Good LUCK!

*I am Australian* - English & Yawuru lyrics

WE ARE ONE, BUT WE ARE MANY  
AND FROM ALL THE LANDS ON EARTH WE COME  
WE SHARE A DREAM AND SING WITH ONE VOICE  
"I AM, YOU ARE, WE ARE AUSTRALIAN!"

Waranyjarri gunya garrjin,

Munja ngarru ngunil, Bara burunil Gabuya garraburlan

Warranyjarri gunngan-ga, Yagarra giribiran nurlu

Ngayu Juyu, Australian Yagarrjin!
